Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

FOIA & Privacy Act & Agency and its  
People in the 70's. Least useful -  
OJCS - Since many of the activities  
of the various components of the  
Directorate are intertwined, e.g.  
Personnel & Quarters, it is beneficial  
to know the trends of these other  
components and what resources one  
component may have that could help  
another component to carry out its  
(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

The concept of AD/MAG is good. However,  
the presentation was rather  
lackadaisical and one was left  
with the impression that the AD/MAG's  
were not accomplishing very much.

- D. Other Comments:

On the whole, all presentations  
were well done with the exception  
of AD/MAG & OJCS. [REDACTED]  
Presentation was lousy & explaining  
since the subject matter - RECORDS -  
is rather dull for most people  
and the fact that he was addressing  
an audience after a heavy lunch  
and on a very warm day.
